Cincinnati, OH 45209

Join us for a dynamic *on-site* certification program specifically designed to build your essential skills for engaging and leading your employees into the realm of High Performance.

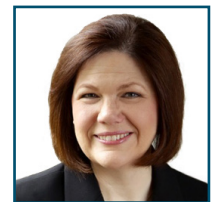

This program consists of ten interactive, solutions-based workshops. Each three-hour session is bursting with concepts, skills, and ideas that can be immediately applied in your workplace. Participants will learn to:

- Effectively lead the performance of your associates
- Develop their full performance potential and accountability
- Engage your team to meet your organization's vision, mission, and goals

Facilitated by:

Wayne J. Owens,
Principal &
Master Trainer

Julie Doyle,
Senior
Consultant
